## Foundation Skills Assessment

A goal of B.C.'s education system, supported by the family and community, is intellectual development – enabling our students to think critically, independently, and to acquire important skills and knowledge that will enable them to thrive in a rapidly changing world.

## Literacy, and Numeracy (2022/23)

The Foundation Skills Assessment (FSA) is a set of literacy and numeracy tests administered each year to students in grades 4 and 7. In the 2021/2022 school year, reading and writing assessments were replaced with a single literacy assessment. The FSA is a valuable indicator of where individual students might have challenges in literacy and numeracy and can be used to help plan their education. It also provides a snapshot of how our education system is meeting the needs of students in these key areas.

Grade	Skill	Student Group	Writer Count	Participation Rate	On Track or Extending Rate	On Track or Extending Rate

## Graduation Assessments (2022/23)

Provincial Assessment results are displayed for:

- Grade 10 Literacy Assessment (Introduced in 2019/2020)
- Grade 10 Numeracy Assessment (Introduced in 2017/2018)
- Grade 12 Literacy Assessment (Introduced in 2021/2022)

The purpose of Graduation Assessments is to measure the extent to which students are literate and numerate and to provide students and educators with information about their proficiency. As part of the updated graduation requirements, students will have to complete two provincial assessments focusing on their demonstration and application of numeracy and literacy.

A six-year rate provides students with an additional year beyond the five years required to move through Grades 8-12.

## Student Learning Survey (2022/23)

Every year, students in Grades 4, 7, 10, and 12, their parents, and all staff in B.C. public schools are invited to participate in the annual online Student Learning Survey (SLS) about their school experience. Results for elementary students (Grades 4 and 7) and secondary students (Grades 10 and 12) are provided.
